
Studying with a satellite Flourish group is really easy! Here's what to do....

- 1) **WHO:** Register for the current study. You can find registration forms online on our website under the Bible study tab at www.FlourishThroughTheWord.com Registration for an satellite group is free! By registering, you will receive the weekly emails from Marjie. Don't forget to "like" our *Flourish Through The Word Ministries* Facebook page.
- 2) **WHAT:** Order books! Books can be ordered one of three ways – you'll want to check with your leader to find out which option your group uses:
 - a. The leader orders books for you, and each woman who studies reimburses the leader for her book. If this option is used by your group, the study books will be delivered to the leader right before the first session.
 - b. Your registration serves as the book order, and Flourish will send you an invoice via PayPal. If your invoice has been paid within a week before the first session (use the date the study starts in Bothell), Flourish will send your book to your leader's house so that it's there by your first meeting.
 - c. Our Bible study books are on Amazon and each woman can order her own study book. Search Amazon for **Marjie Schaefer** (and add the name of the study book after her name).
- 3) **WHEN and WHERE:** Check with your leader to find out when and where your group will meet.

That's all there is to it! It's that easy!
