

Studying on your own is really easy! Here's what to do....

1. Submit your registration by completing the questions on the online / satellite registration form on our website: www.FlourishThroughTheWord.com. This registration is free!

2. Study books are available for purchase on Amazon (typically within 2 weeks from the start date of the study). Search for **Marjie Schaefer** in "Books" and then scroll until you locate the book for the study you are doing.

3. Teaching sessions are video recorded and posted by the following morning.
 - After the study starts, return to the study registration page on the website, and scroll down to the very bottom of the page to find the listening guides and teaching sessions.
 - Clicking on the title of the listening guide will open it in a new window so that you can print it.

4. Once you've registered, if you'd like, you may also join a Facebook group that is doing this study.
