

Flourish & Connect Virtual Conference

The Sisters Podcast

“The Sisters Podcast” is just that: two sisters, living next door to each other, talking about life in Jesus and with others. Many of the episodes are light-hearted as they are shared from a real-life perspective and not necessarily from a teaching perspective, however, our hope is that everyone who listens will learn something new and be encouraged in their own spiritual journey.

You’ll find **The Sisters Podcast** on iTunes and Spotify by searching for “Marjie Schaefer” or “Leigh Laird”.
